WELCOME TO

ALL 4 KIDS OUTSIDE SCHOOL HOURS CARE

All 4 Kids Outside School Hours Care has been assessed under the National Quality Framework. The service complies with the Education and Care Services National Regulations 2011 and National Quality Standards.

Your Co-ordinator is **Jarika Venzara** (Early Childhood Teacher) and her dedicated team members.

We all hold a current Suitability Card for Child Related Employment, issued by Commission for Children and Young People and we are trained in First Aid.

We all enjoy working with children! Our greatest reward is to see the children smiling, happy and safe; while providing the best quality care.

You are welcome to view or ask our friendly staff about the following:

- a general description of the activities and experiences provided by the service;
- the service's philosophy about learning and child development outcomes and how it is intended the outcomes will be achieved;
- the goals about knowledge and skills to be developed through the activities and experiences.
- any other questions

Sending of our Parent Handbook to your nominated email address is part of our enrolment process.

Our Policy Book is available to all our parents/guardians to view at the OSHC room.

The Department OF Education and Training contact number is **(13 7468)**

We wish you a long and happy stay with All 4 Kids OSHC and we are looking forward to your participation in our program.
