

Investing for Success

**Under this agreement for 2022
Mackenzie State Primary School will receive**

\$43 911.00*

This funding will be used to

- Increase to 96% the number of students from Prep to Year 6 achieving a C or above in English
- Increase to 65% the number of students achieving a B or above in English
- Ensure that those students from Prep to Year 6 who are achieving below a C standard in English are identified and supported so they are engaged and improving

Our initiatives include

Engaging in Professional Learning Communities to identify the literacy demands in the Australian Curriculum, assessment tasks and differentiation practices.

Maintain a culture of collaboration and collective teacher efficacy through small school cluster initiatives including planning days, moderation and network opportunities and promote and develop strategies and opportunities to make Thinking visible in all classrooms.

To develop the skills of our students across the learning domains & provide intervention & extension when required

Our school will improve student outcomes by

Provide curriculum release for teachers to engage in Professional Learning Communities, the Australian Curriculum, feedback, case management, coaching, data analysis and cross cluster moderation.

The provision of a Speech Language Pathologist and support staff to effectively support the school's Reading, Writing and Spelling Framework and Phonemic Awareness.

Funding

Professional Learning \$19 000.00

SLP \$14 000.00
